

ON TOP OF THE WORLD

One minute you're flying high, enjoying the sport you love. The next you come back down to earth with a bump. Rugby injuries can happen to anyone and at any time. And they can be life-changing. Should you suffer a serious injury the chances are you will need more than just the basic insurance cover supplied by your club.

That's when SPIRE can help.

SPIRE is an independent charity set-up to support seriously injured rugby players who need financial assistance.

We in turn need financial backing to continue our grant giving activities.

Please try to help us help ex-players.
